

GLAXOSMITHKLINE (GSK) RETURN GOODS POLICY

Effective September 20th, 2023

This document constitutes GlaxoSmithKline's and ViiV Healthcare's (collectively referred to herein as GSK¹) current policy (the "Policy") for the return of GSK pharmaceutical and vaccine products purchased directly from GSK, GSK Authorized Wholesalers, and GSK Authorized Distributors by entities licensed to dispense and/or administer GSK products, and agents (i.e. third party returns company) that represent wholesalers, distributors and entities licensed to dispense and/or administer GSK products.

This Policy also applies to pharmaceuticals purchased by GSK Authorized Wholesalers and Distributors, either direct from GSK or from a GSK Authorized Wholesaler/Distributor. Returns will not be accepted from any other entities. Examples of eligible entities under this Policy include retail and specialty pharmacies, hospitals, long term care facilities, clinics, and physician offices.

The return of GSK products to GSK constitutes the eligible entity's agreement to be subject to the terms and conditions of the then-applicable GSK's return goods policy and will be the sole basis for reimbursement eligibility.

MINIMUM CRITERIA

Any GSK product eligible for return reimbursement **must** meet all of the following conditions:

1. Must be in the original packaging with label intact and fully readable including NDC, barcode, lot number, GTIN, serial number and expiration date;
2. Have been directly purchased from GSK or from a GSK Authorized Wholesaler or Distributor;
3. Must supply Proof of Purchase (upon request by GSK); and
4. Must be eligible for reimbursement as set forth in the Products Eligible for Return Reimbursement section of this Policy

PROCEDURE FOR RETURNING PRODUCT

Direct Purchase: Product directly purchased from GSK ("Direct Purchase") and meeting the eligibility criteria should be returned to GSK's Return Goods Vendor following the process specified in this Policy. Eligible returns processed for Direct Purchases will receive a credit applied to the purchaser's GSK account.

Indirect Purchase: Product purchased from a GSK Authorized Wholesaler or Distributor is considered an Indirect Purchase and should follow the Indirect Returns process:

- 1) Contact the GSK Authorized Wholesaler or Distributor to address returns related to transaction and shipping issues, including but not limited to product damage, order errors and temperature excursions, which will be subject to the GSK Authorized Wholesaler or Distributor return policies.
- 2) Products that meet GSK's expiration requirements and eligibility criteria can be returned to GSK's Return Goods Vendor following the process specified in this Policy. Eligible returns processed for Indirect Purchases will receive a credit through their GSK Authorized Wholesaler or Distributor.

PRODUCTS ELIGIBLE FOR RETURN REIMBURSEMENT

The following products are eligible for return and reimbursement by GSK:

1. Product expiry:
 - a) GSK Pharmaceuticals where product expiration is within 6 months prior to or no later than 12 months after expiration date included on the product packaging label
 - b) GSK Vaccines:
 1. GSK Authorized Wholesalers or Distributors can return product where product expiration is within 6 months prior to or no later than 12 months after expiration date included on the product packaging label.
 2. All other eligible customers (e.g., physicians, clinics, hospitals, long term care) can return product where product has expired and no later than 12 months past expiration date included on the product packaging label.
 - c) In the event product expiration date only includes month and year the product expiration for calculating eligibility shall be the first day of the month of product expiration.
3. Permitted in terms: Products where direct terms of sale on the invoice or offer letter from GSK expressly permit returns.
4. Recall/Withdrawal: Products associated with a GSK-initiated recall and/or withdrawal is returnable subject to specific terms of the recall/withdrawal notice and requested return actions.
5. Discontinued products: Product eligibility determined by the returns provision stated in the discontinued notice. For a complete list of discontinued products, please visit our web site at www.gsk-ecs.com.
6. Acquired Products²: An Acquired Product² is eligible for return under the normal GSK Returns policy in effect at the time of Customer's request to return Acquired Product. The Acquired Product² is governed by the GSK Returns policy upon completion of the acquisition as communicated in the GSK acquisition notice.
7. Divested products: For all divested products, the return eligibility requirements are handled through the terms included in the applicable Divestment Announcement unless otherwise specified for specific return events. Reimbursement for divested products, if applicable, will be based on the then GSK Return Goods Policy at the time of the return request unless otherwise required by applicable law. For a complete list of divested products, please visit our web site at www.gsk-ecs.com.
8. The following scenarios require a GSK Issued Return Goods Authorization (RGA³) to be eligible for reimbursement. The RGA's can be obtained by contacting the GSK Customer Service Center (Pharma Service Center at 1-800-877-1158 or Vaccine Service Center at 1-866-475-8222). **The creation of a PharmaLink Return Authorization Label is not a guarantee of reimbursement and is not to be used in place of a GSK Issued Return Goods Authorization (RGA³).**
 - a. **Damages, Shipping and/or Order Errors** -- Products where Direct Purchaser⁴ received product resulting from GSK shipping and/or order processing errors, or products that were damaged while in transit; provided, the damaged products and/or products received in error are reported within fourteen (14) days of product receipt from

GSK or within 18 days of GSK invoice date (whichever is earlier) to be eligible for return.

- i. Damage claims or errors must be documented with the Carrier upon delivery. If a shipment appears to be missing, contact the GSK Customer Service Center.
 - ii. If Product is purchased through a GSK Authorized Wholesaler or Distributor and you receive an order that is in error or that contains product that has been damaged, the purchaser must contact and resolve the return issue with their GSK Authorized Wholesaler or Distributor.
- b. **Initial Stocking Orders** – Initial stocking orders by Direct Purchaser⁴ of newly launched products (in aggregate or at a line item level) if returned within 12 months following the date of product launch, but no earlier than 6 months after customer's receipt of the launch products, and no purchases of newly launched products have occurred since the initial purchase. A credit of 100% of the Purchase Price⁵ will be provided.
- c. **Flu Vaccine Returns** -- For all Flu Branded products, eligibility requirements are handled through the GSK purchasing agreement (in which the purchasing agreement will govern eligibility) or through the direct purchasing terms of sale outlined on www.gskdirect.com.
- i. Eligible Direct Purchaser⁴ may obtain their Flu RGA³ directly via www.gskdirect.com or contacting the GSK Customer Service Center once Flu return eligibility notification(s) have been received.

PRODUCTS INELIGIBLE FOR REIMBURSEMENT

Unless explicitly stated above or required by applicable law, all other GSK products are ineligible for credit under this policy. For the purpose of clarification, the following list describes situations where no credit will be issued even if product is otherwise eligible for return and credit. The list below is not exhaustive of all situations disqualifying credit. GSK may at its discretion allow for certain exceptions to the policy.

1. When proof-of-purchase from GSK or an Authorized Distributor cannot be verified either by invoice supplied by returning entity or EDI 867 data from Authorized Distributor.
2. Items that have been involved in a fire, theft, or bankruptcy sale; or items that have been damaged by fire, water, or smoke.
3. Product sold expressly on a non-returnable basis.
4. Frozen products are not eligible for return.
5. Product that has been Re-packaged⁶.
6. Professional samples.
7. Product obtained illegally or via diverted means or acquired for the purpose of returning to GSK for credit.
8. Merchandise returned where the saleable unit container contains more product than was originally packaged (over packed containers).
9. Reconstituted vials of parenteral products, this may not be returned regardless of labeled expiration date (see Healthcare Provider Administered Products⁷ section for defined exceptions).

10. Counterfeit or imported product (product customer purchased outside of the United States or product not labeled for use in the United States).
11. Product stored out of compliance with specifications or otherwise handled improperly.
12. Products with missing or defaced labels (including lot number not identifiable).
13. Products in leaking containers.
14. Products containing prescription labels that include any personal identifiable information.
15. Products manufactured to customer specifications.
16. Donated products or free issued goods.
17. Products destroyed by any Wholesaler or Third Party Processor for Customer or Wholesaler.
18. Product sold to any government stockpile program.
19. Partially used products in cream, liquid, inhaler, starter kit, or injectable form.
20. Any opened or unopened package returns taken back by the GSK Authorized Wholesaler or Distributor from its customers.
21. Product that is not in the original manufacturer container (with the exception of multi-pack syringes or vials where NDC, Lot, and Expiration can still be identified, in full dosage form).
22. Vaccines purchased under the CDC program. Please go to the CDC website for additional guidance (<http://www.cdc.gov/vaccines>).
23. Returns under one debit memo that includes multiple end user customers ("batched") will not be honored and no credit will be issued.

BASIS OF CREDIT

All eligible products returned in accordance with and subject to the terms and conditions set forth herein, are subject to valuation by GSK. GSK has sole discretion on eligibility and valuation for all product returns.

1. For opened bottles, credit will be estimated to the nearest one-fourth or by individual tablet count.
2. Unless otherwise specified for specific return events outlined to the contrary in this document or required by applicable law, reimbursements will be issued based on the following:
 - a. GSK Authorized Wholesalers & Distributors:
 - i. Pharmaceuticals and Vaccines will be valued based on current product purchase price (WAC) less ten percent (10%)
 - b. All other eligible customers (physicians, clinics, hospitals, long term care, etc.):
 - i. Pharmaceuticals will be valued based on current product purchase price (i.e., WAC or contract price) less ten percent (10%)
 - ii. Vaccines will be valued based on 100% of the product purchase price³
3. Federal Excise Tax (FET) will be reimbursed for eligible returned vaccine products regardless if the product was sold on a non-returnable basis.

4. GSK will accept returns according to the GSK Return Goods Policy in effect at the time of return request and issue a credit memorandum for Direct Purchaser⁴ or for indirect purchasers, GSK will issue a credit to the GSK Authorized Wholesaler or Distributor identified by the customer on the Debit Memo that accompanied the return. The GSK Authorized Wholesaler or Distributor will apply the credit to the indirect customer's account at their sole discretion.
5. The debit memo for indirect customer returns must include complete information on the facility returning products and the approved GSK wholesaler or distributor where the product remittance should be issued.
6. Any right of off-set for return goods may only be exercised following receipt of a properly issued credit memorandum.

PRODUCT SPECIFIC EXCEPTIONS TO THE RETURN GOODS POLICY

The following shall serve as notification of GSK's product specific exceptions.

1. **Apretude** - Reimbursement will be based on 100% of the product Purchase Price⁵. Product is allowed to be returned at expiration and up to 12 months past expiration included on the product packaging label. Partial product returns of Apretude Kits are ineligible for reimbursement unless otherwise required by applicable law.
2. **Benlysta** – Reimbursement will be based on 100% of the product Purchase Price⁵. Product is allowed to be returned at expiration and up to 12 months past expiration included on the product packaging label.
3. **Blenrep** - Due to GSK's November 22, 2022 announcement of its voluntary withdrawal of the Biologic License Application for Blenrep, commencing December 6, 2022 customers may return Blenrep prior to expiration and up to 12 months past expiration included on the product packaging label. Reimbursement will be based on 100% of the product Purchase Price⁵. Customers who purchase Blenrep indirectly may receive credit through their GSK Authorized Distributor. GSK Authorized Distributor must be included in the Remittance Information ("Remit to") on the return documentation.
4. **Cabenuva** - Reimbursement will be based on 100% of the product Purchase Price⁵. Product is allowed to be returned at expiration and up to 12 months past expiration included on the product packaging label. Partial product returns of Cabenuva Kits are ineligible for reimbursement unless otherwise required by applicable law.
5. **Fluarix** – Non Returnable with the exception of special purchasing opportunities as defined within the purchasing agreement.
6. **Flulaval** – Non Returnable with the exception of special purchasing opportunities as defined within the purchasing agreement.
7. **Jemperli** – Reimbursement will be based on 100% of the product Purchase Price⁵. Product can be returned at expiration and up to 12 months past expiration included on the product packaging label.
8. **Nucala** – Reimbursement will be based on 100% of the product Purchase Price⁵. Product can be returned at expiration and up to 12 months past expiration included on the product packaging label.

9. **Ojjaara** – Reimbursement will be based on 100% of the product Purchase Price⁵. Product can be returned at expiration and up to 12 months past expiration included on the product packaging label.
10. **Rabavert** – Non-Returnable except for special purchasing opportunities as defined within the purchasing agreement.
11. **Sotrovimab (U.S. Government-Purchased Product)** – Returns are not eligible for reimbursement for product purchased by the U.S. Government and provided to customers and patients at no cost pursuant to the US Government Contracts awarded to GSK on September 29, 2021 (W58P05-21-C-0008) and November 15, 2021 (W58P05-22-C-0002). Contact your State Health department with any questions regarding unused product. If you do not know how to reach your State Health point of contact, please email COVID19Therapeutics@HHS.gov. If undamaged product needs to be returned, follow the instructions in the Return Shipment Information section of this policy.
12. **Sotrovimab (Commercially-Purchased Product)** – Reimbursement for product purchased by customers during the FDA approved Emergency Use Authorization (EUA) period will be based on 100% of the product Purchase Price⁵. Product is eligible to be returned for any reason prior to or at product expiration date and no greater than 12 months past expiration date included on the product packaging label. During the FDA approved Emergency Use Authorization (EUA) period, customers may be eligible to return product for reimbursement prior to the product expiration date with GSK’s prior approval (contact the GSK Customer Service Center at 1-800-877-1158) via a GSK issued Return Goods Authorization (RGA). A GSK issued Return Goods Authorization is required for product reimbursement eligibility. EUA product remains eligible for reimbursement up to 12 months past product expiration. Note: The earliest expiry date for any Sotrovimab is August 2022; however, there are some lots that reflect the 12-month dating on the packaging. Please call the GSK COVID Contact Center (866-GSK-COVID) for dating information on specific lots.
13. **Zejula Capsules** –Reimbursement will be based on 100% of the product Purchase Price⁵. Commencing August 1, 2023, customers may return Zejula Capsules prior to expiration and up to 12 months past expiration included on the product packaging label.
14. **Zejula Tablets** – Reimbursement will be based on 100% of the product Purchase Price⁵. Product can be returned at expiration and up to 12 months past expiration included on the product packaging label.

The above represents Product specific differences to the GSK Return Goods Policy. All other aspects of the GSK Return Goods Policy shall remain in effect.

HEALTHCARE PROVIDER ADMINISTERED PRODUCTS (“HCPPS”)⁷

GSK’s HCPPs may be eligible for replacement product or credit prior to the product expiration window provided one or more of the following conditions is met:

1. HCPP was purchased for a specific patient and was never reconstituted or administered due to the patient’s death.
2. HCPP was reconstituted and/or prepared for administration for a patient but the product could not be administered due to one or more of the following reasons:
 - a. HCPP was not administered due to reasons that precluded patient administration

- b. Patient died prior to scheduled treatment
- c. HCPP was reconstituted incorrectly
- d. HCPP was accidentally mishandled

In order to request a pre-expiration HCPP claim, Eligible Customer⁸ must contact the GSK Customer Service Center (For Specialty products: Pharma Service Center at 1-800-877-1158; For Vaccine products: Vaccine Service Center at 1-866-475-8222). The GSK Customer Service Center will provide a HCPP claim form to be completed by the customer. In order to be considered for the pre-expiration HCPP claim, the customer must return the completed form, which includes a certification by the customer. In the event the pre-expiration HCPP claim request is approved, GSK will provide a Return Goods Authorization form to the customer.

RETURN SHIPMENT INFORMATION

GSK contracts with PharmaLink to manage the return and destruction of returned products. All products must be returned to PharmaLink in accordance with the following procedures to be eligible for credit at the following address:

PharmaLink
Receiving Department PLI- GSK
8285 Bryan Dairy Road, #160
Largo, FL 33777

Prior Return Authorization (RA) is required for all returns. Request for Return Authorization Labels (box RA Labels) from PharmaLink can be made as follows:

1. Access PharmaLink's website at <https://www.PharmaLinkinc.com> and select Manufacturer Authorizations at the top of the webpage.
 - a. First Time users need to create a New User login.
2. Select "Start a new return" and choose GSK from the Manufacturer dropdown menu.
 - a. Create Inventory: Allows you to enter an inventory of items in the shipment.
 - b. Upload Debit memo: Allows you to upload an inventory of items in the shipment.
3. The following information must be supplied, or the RA request will be declined, and product will not be eligible for credit:
 - a. NDC Number, Product Description, Lot/Batch #, Quantity, Customer's Reference Number
 - b. Authorized Servicing Wholesaler, remittance name and address
 - c. Debit Memo Number, Date, and Amount requested.
 - d. Expiration Date (In the event the package expiration date is stated in month/year format, expiration date will default to the first day of the month)
 - e. Returning Facility details including
 - i. Facility Name, Address, City, State, and Zip code
 - ii. Facility DEA Number, 340B ID, and/or HIN
 - iii. Facility State License
 - iv. GSK Account Number if purchased directly from GSK
4. The RA must be attached to the outside of the return shipment package.
5. Additional information is provided to GSK if requested.
6. The debit memo that is uploaded to the PharmaLink website will be used by GSK to validate the return, all debit memo information on the website must be accurate and reflect what is returned.

All returns must be received by GSK's Return Agent, PharmaLink, no later than sixty (60) days after RA Label issuance with the RA Label attached on the exterior of the box together with a copy of the Customer's Debit Memo for such return(s) enclosed in the shipment.

Returned product that does not meet the criteria listed above will be quarantined. If the above information cannot be obtained by the end of the business day, the product will be denied and sent back to the returning entity.

Should you need assistance in returning your GSK product to PharmaLink, contact:

CustomerSolutions@pharmalinkinc.com

7. **Requirements for products purchased under 340B Program**: Products returned that were purchased under the 340B drug pricing program **must** include:
 - a. A notation on the debit memo that the product was purchased under 340B; and
 - b. Include the HRSA assigned 340B identifier.
 - c. Failure to provide any or all of these may result in the return being disallowed and return product destroyed.
8. GSK is not responsible for shipments lost in transit.
9. All products eligible for return shipped to the GSK authorized Return Goods Vendor are to be shipped in a safe, secure, and reliable manner, and in compliance with all applicable federal, state and local laws, regulations and statutes. If you have any questions regarding special handling or transportation instructions, please visit our website at www.gsk-ecs.com to view our product Safety Data Sheets (SDS).
10. Where required, a completed RGA³ form, must be included with shipment. This form can be obtained from the GSK Customer Service Center (Pharma Service Center at 1-800-877-1158 or Vaccine Service Center at 1-866-475-8222) or via www.gskdirect.com (only Direct Purchaser² returning eligible Flu Branded Products).
 - a. This return goods authorization is being issued upon unconfirmed representations made to GSK and is not intended to be a guarantee of credit or a basis for relying upon credit.
 - b. Credit for return goods is subject to verification by GSK or its agent that the returned product falls within GSK's guideline for return goods credit.

THIRD PARTY PROCESSOR INFORMATION

Returns from third party processors acting on behalf of eligible entities will be accepted provided the processor complies with all aspects of the GSK Return Goods Policy. Third party processors acting on behalf of a GSK Authorized Wholesalers, Distributors, or entities licensed to dispense and/or administer GSK products must comply with and are subject to the terms of the GSK Return Goods policy and GSK is not responsible for fees incurred by third party processors. Returns may be held pending verification of the eligible entity shown on the debit memo. GSK reserves the right to not issue credit if the customer and/or product information on the customer's debit memo is incomplete or inaccurate.

SPECIAL INSTRUCTIONS

1. Products received by GSK not meeting the above guidelines will not be returned to Purchaser and no credit will be issued.
2. GSK has the right to destroy any return goods in its custody.
3. GSK reserves the right to deduct the costs incurred for the processing/destruction of ineligible returned product from the total credit for the return. Products ineligible for return should NOT be sent back to GSK.
4. All eligible products returned in unopened or partial containers, in accordance with and subject to the other terms and conditions set forth herein, are subject to valuation by GSK in its sole discretion.
5. This statement of policy shall supersede and/or serve as notice of termination of any previous agreement or policy, whether written, oral, or established through course of dealing between you and GSK with respect to the subject matter hereof.
6. GSK's Return Goods Policy is subject to change at any time and without prior notice to other parties.
7. Returned quantities will be audited by GSK's Return Goods Vendor and final credit will be based on GSK's Return Goods Vendor count.
8. GSK reserves the right to destroy products which are returned outside this policy, or which are considered unfit or unsafe for use.
9. Return disputes must be submitted to GSK Customer Service within 12 months following receipt of returned product at GSK's Return Goods Vendor.

¹GSK – Business operations located in the Continental United States, Puerto Rico, U.S. Virgin Islands, Alaska, and Hawaii only.

²Acquired Product is any product acquired by GSK through an acquisition of such product or through the acquisition of or merger with the company selling the product.

³GSK issued Return Goods Authorization (RGA) – GSK will provide customer with a document referencing a return debit memo number (either issued by GSK directly or requested by the customer) authorizing the return of eligible products.

⁴Direct Purchaser is defined as a purchasing entity that purchases product directly from GSK.

⁵Purchase Price is defined as the approximate acquisition cost of the product from GSK, or, if applicable, the contract price in effect for the returning entity at the time the product/lot was sold.

⁶Re-packaged is defined as Product that has been removed from its original GSK shipped selling unit container and packaged into another container, or, if the original selling unit container has been modified or changed in any way, including labeling.

⁷Healthcare Provider Administered Products (HCPPs) include: Apretude, Benlysta, Blenrep, Cabenuva, Flolan, Hiberix, Jemperli, Menveo, Nucala, Shingrix, and Sotrovimab.

⁸Eligible Customer is defined as all eligible end-user customer classes of trade for the HCP Administered medicines
