Welcome to the GSK eCustomer Solutions User Guide

This document provides you with step-by-step instructions for using the eCustomer Solutions website. Whether you're brand new and need to register for an account and get started, or you're an existing user and need some quick help reviewing or tracking your orders, you'll find the answers here.

This is an interactive document, designed with special features to help you navigate it easily:

Page navigation: Navigation text is featured at the top of every page of the document to show you exactly where you are within the document, like a trail of breadcrumbs. It includes the document title, the main section title, the sub-section, and the page title.

Forward and Back buttons: Use the arrow buttons at the bottom to advance to the next page or return to a previous page.

Home: Click on the house icon to return to the Table of Contents page.

For more information, or if you have any questions about the information covered in this guide, please contact customer support at customer-satisfaction@gsk.com.

Account Management

How do I setup a new account?

Follow the steps below to register a new account with GSK eCustomer Solutions:

- 1 Navigate to the GSK eCustomer Solutions website at <https://www.gsk-ecs.com/>.
- 2 Click **Register** in the “New Customers” section of the homepage.
- 3 Complete the required fields indicated with a red asterisk.
- 4 Complete the additional fields if desired.
- 5 Review the Terms and Conditions and check the box to accept.
- 6 Click **Continue**.

Account Activation

- You will receive an Account Activation email from GSK eCustomer Solutions. To ensure delivery, be sure to add noreply@gsk-ecs.com to your address book or safe sender list. Follow the instructions within that email to proceed to the next step.

Account Management

How do I setup a new account?

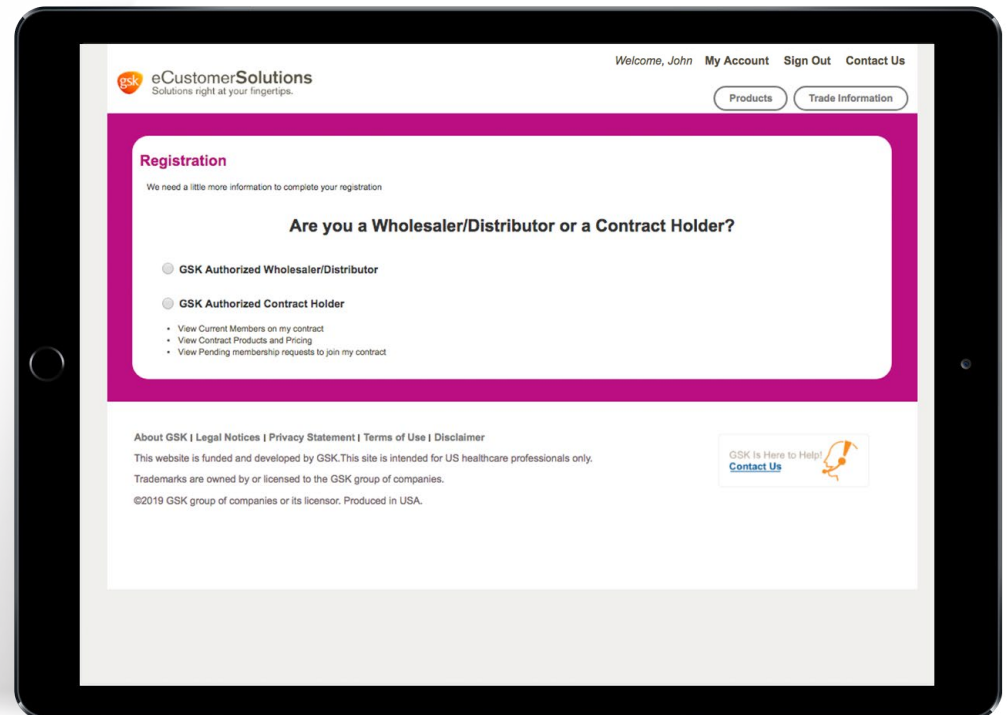

Next, select whether you are a Wholesaler/
Distributor or a Contract Holder.

Wholesaler/Distributors:

Please proceed to [page 7](#).

Contract Holders:

Please skip to [page 8](#).

Account Management

How do I setup a new account?

If you are a **Wholesaler/Distributor** follow the instructions below.

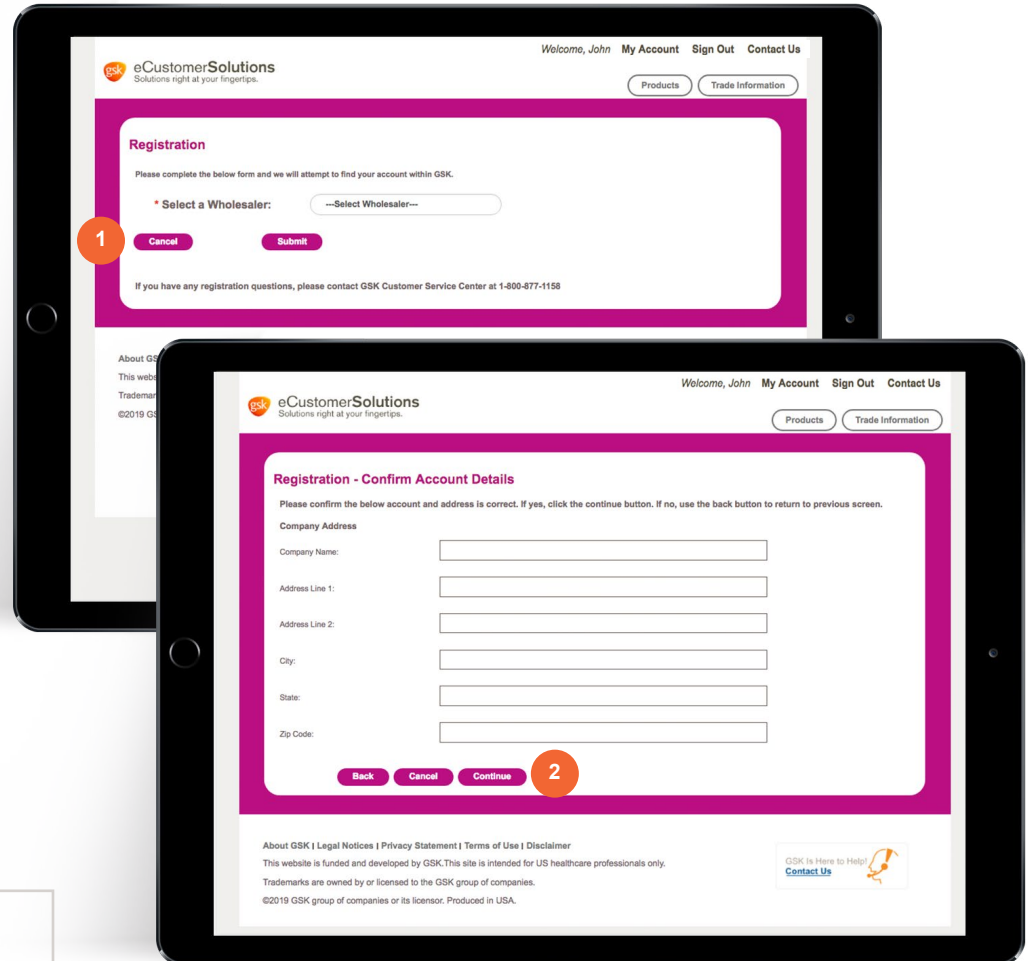

For Wholesaler/Distributors:

- 1 Select your organization from the drop-down menu and click **Submit**.
- 2 Confirm your organization's address on the next page and click **Continue**.

If your organization is not listed, call GSK Customer Service at 1-800-877-1158.

Account Confirmation

- Once your account has been created, GSK eCustomer Solutions will send you an Account Confirmation email. To ensure delivery, be sure to add noreply@gsk-ecs.com to your address book or safe sender list.

If you are a Contract Holder, you can now skip to [page 8](#).

Account Management

How do I setup a new account?

If you are a **Contract Holder** follow the instructions below.

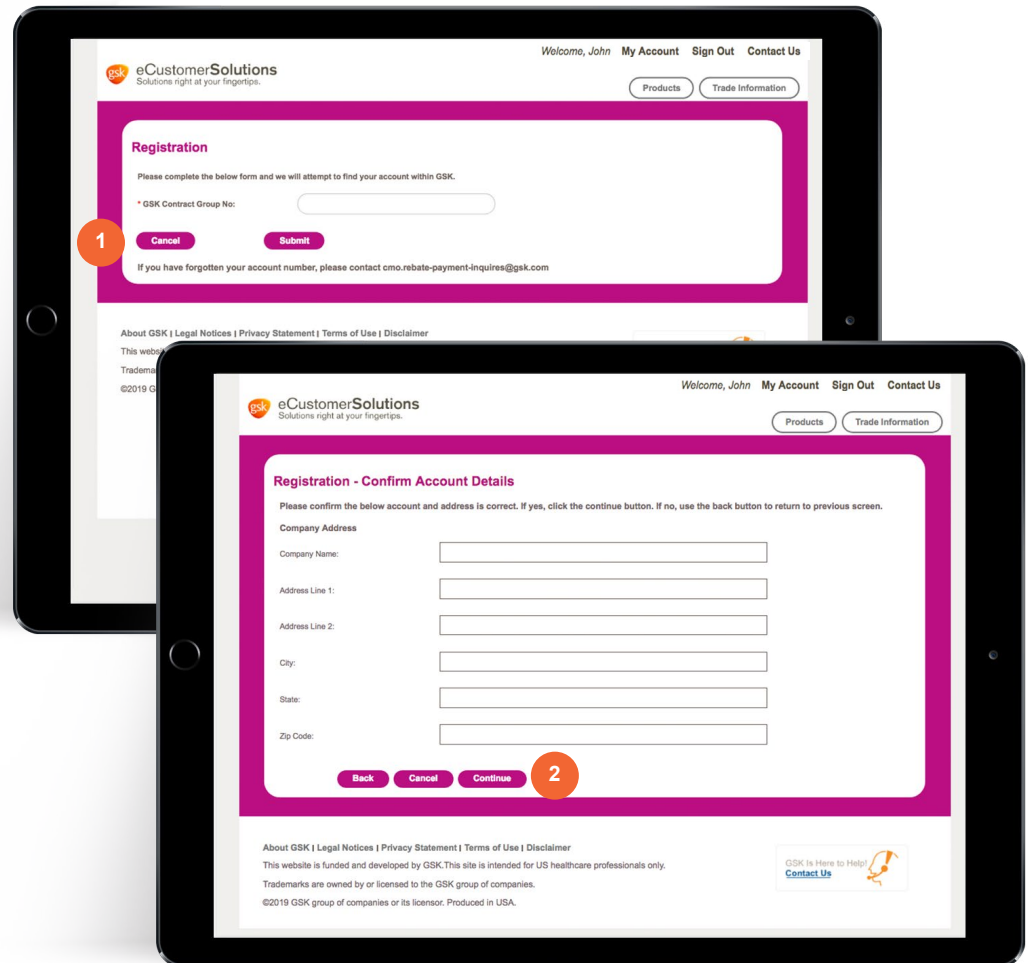

For Contract Holders:

- 1 Enter your GSK Contract Group Number and click **Submit**.
- 2 Confirm your organization's address on the next page and click **Continue**.

If you do not know your group number, email cmo.rebate-payment-inquiries@gsk.com.

Account Confirmation

- Once your account has been created, GSK eCustomer Solutions will send you an Account Confirmation email. To ensure delivery, be sure to add noreply@gsk-ecs.com to your address book or safe sender list.

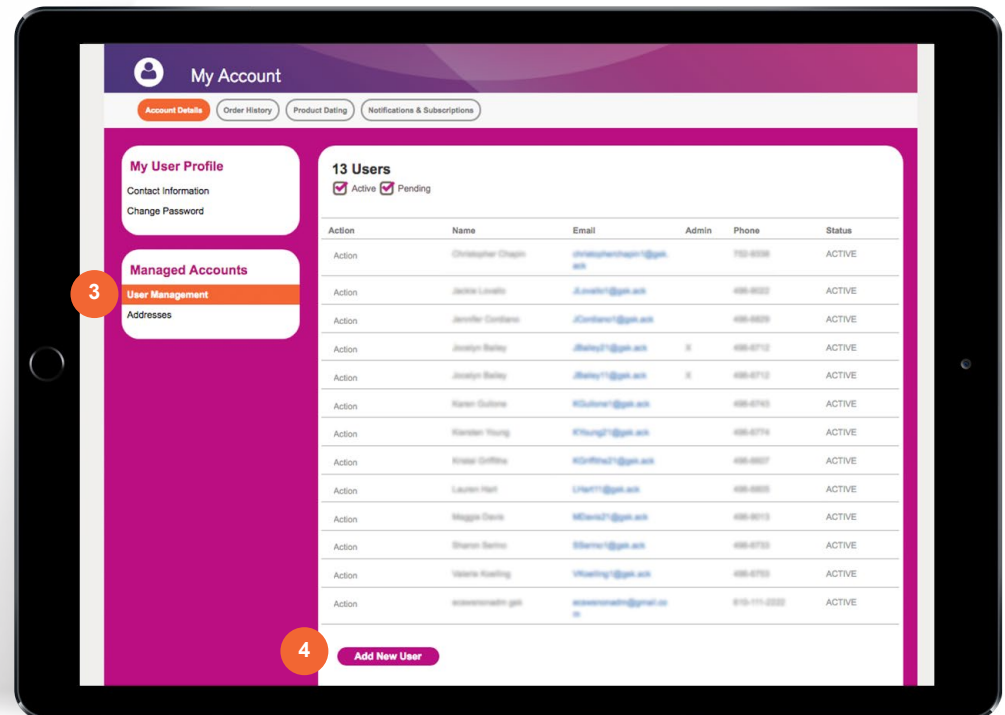

Account Management

How do I add a new user to my account?

Follow the steps below to add a user to your GSK eCustomer Solutions account (only an account admin can perform this action):

- 1 Log in to your GSK eCustomer Solutions account.
- 2 Click **Get Started** in the **My Account** section or click **My Account** at the top of the page.
- 3 Click **User Management** in the left sidebar.
- 4 Click **Add New User** at the bottom of the page.

See next page to continue.

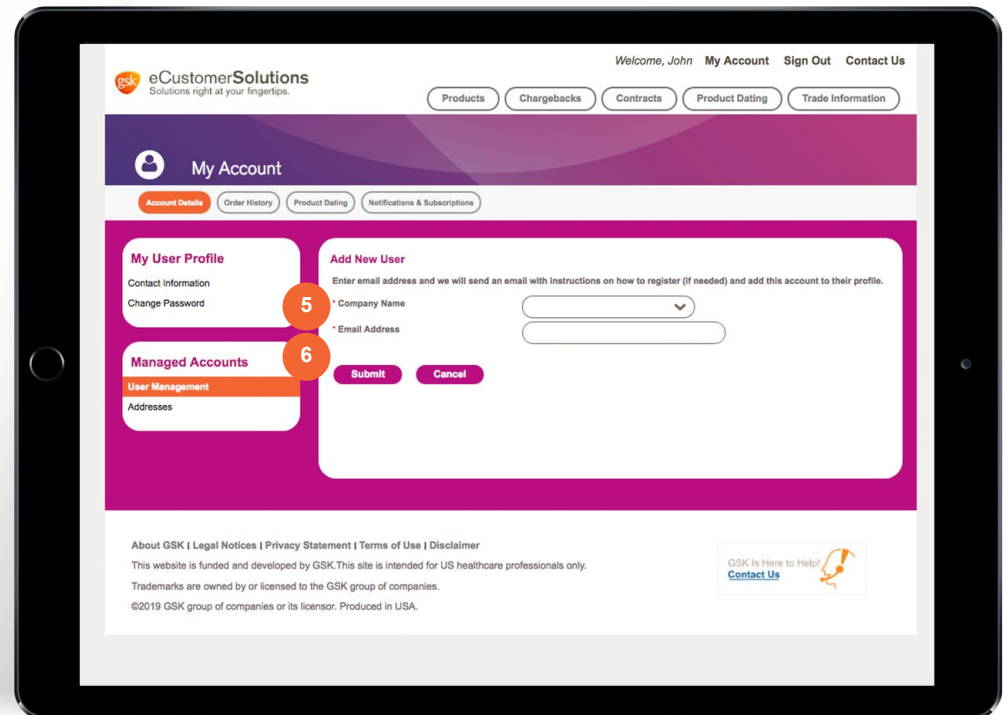

Account Management

How do I add a new user to my account?

Continued from previous page.

- 5 Select the new user's organization and enter his/her email address.
- 6 Click **Submit**.

The new user will receive an email with a link to register and instructions on associating the new account.

Note: Once the user activates and completes registration for his/her account, you will need to approve or reject the user's registration. To do this, click the **Action** drop down menu to the left of the user's name and select **Approve User** or **Reject User**.

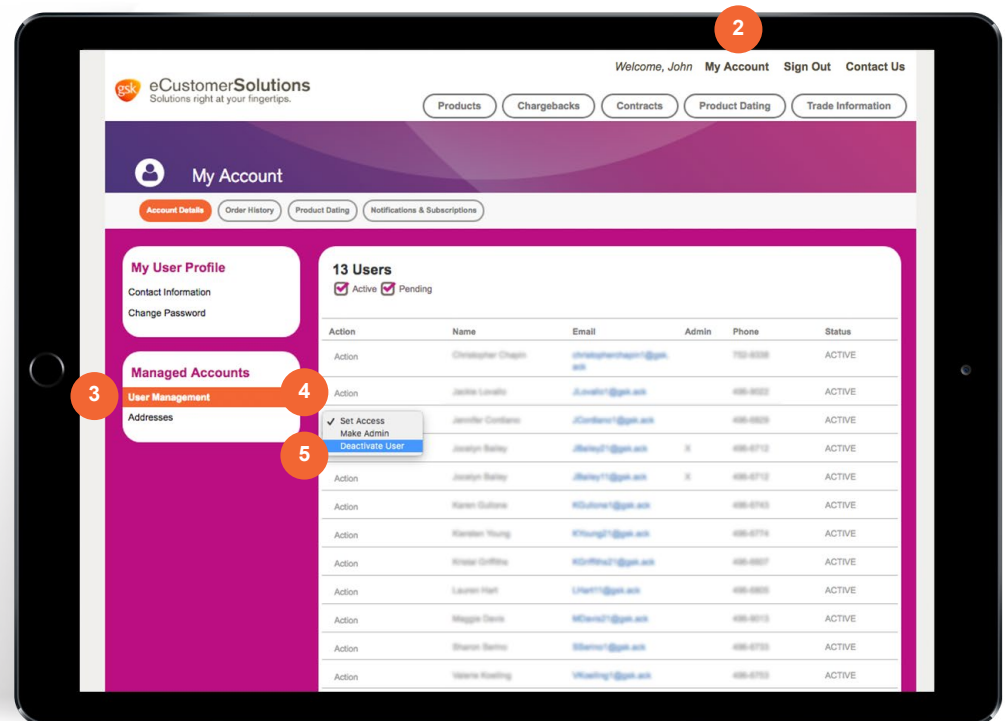

Account Management

How do I deactivate a user from my account?

Follow the steps below to deactivate a user from your GSK eCustomer Solutions account (only an account admin can perform this action):

- 1 Log in to your GSK eCustomer Solutions account.
- 2 Click **Get Started** in the **My Account** section or click **My Account** at the top of the page.
- 3 Click **User Management** in the left sidebar.
- 4 Locate the user you wish to deactivate.
- 5 Click the **Action** drop down menu to the left of the user's name, select **Deactivate User** and confirm your selection.

The user is now removed from your User Management page and can no longer log into eCustomer Solutions.

Note: Once a user is deactivated, the action cannot be undone. If you are unsure, click **No** when prompted to confirm your selection to cancel and return to the previous screen.

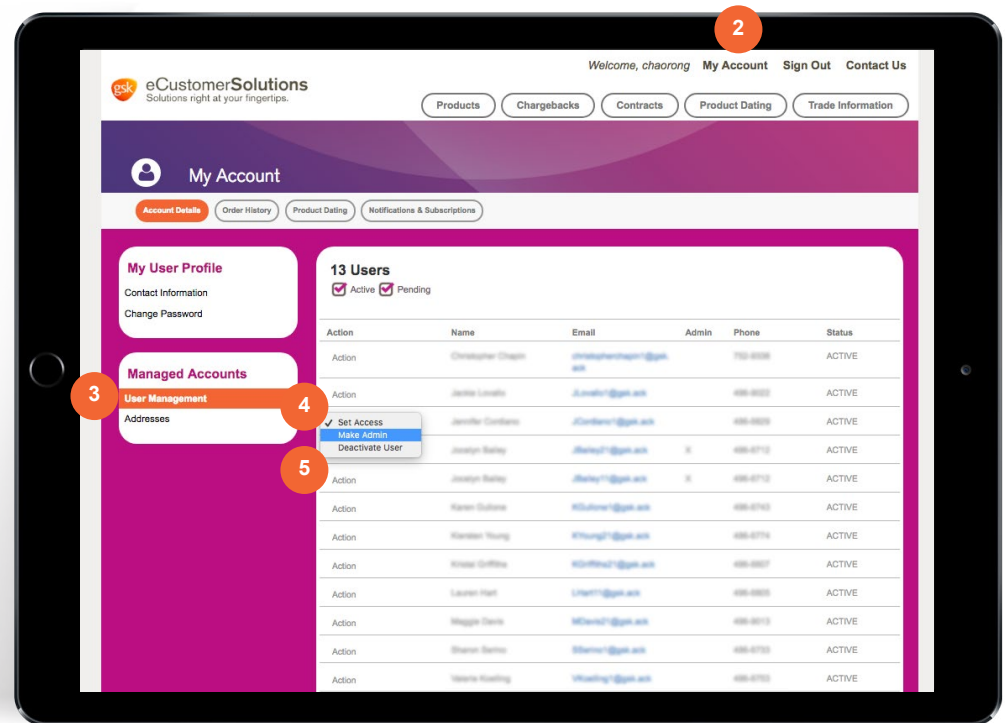

Account Management

How do I make a user an admin user?

Follow the steps below to make a user in your GSK eCustomer Solutions account an admin user (only an account admin can perform this action):
